VOTES CAST FOR TWO PUBLIC QUESTIONS AT THE NOVEMBER 4, 1986 GENERAL ELECTION

PUBLIC QUESTION NO. 1

Use of 1981 Hazardous Discharge Bond Moneys for Hazardous Waste Cleanup Purposes Independently of Other State or Federal Cleanup Monies

Shall the amendment to the 1981 "Hazardous Discharge Bond Act" authorizing hazardous discharge bond revenues to be applied to hazardous waste cleanup operations without regard to the availability of other State or federal cleanup funds, be approved?

INTERPRETIVE STATEMENT

Approval of this amendment would permit the State to use the 1981 Hazardous Discharge Bond monies for hazardous waste cleanup purposes without first determining that no other State or federal source of funds are available, thus giving the State greater flexibility in financing and implementing its hazardous waste cleanup efforts.

PUBLIC QUESTION NO. 2

Hazardous Discharge Bond Act of 1986

Should the "Hazardous Discharge Bond Act of 1986" which authorizes the State to issue bonds in the amount of $200,000,000.00 for the purpose of financing the cost of identification, cleanup and removal of hazardous discharges, providing ways and means to pay the interest on the debt and also to pay and discharge the principal thereof, which bond issuance shall be conditioned on the enactment of other revenue-raising measures for the funding of hazardous discharge cleanup, be approved?

INTERPRETIVE STATEMENT

Approval of this act would authorize the sale of $200,000,000.00 in bonds to be used to identify, cleanup and remove hazardous discharges which sale is conditioned on the enactment of other revenue-raising measures for the funding of hazardous discharge cleanup.
